

# How to use Zoom

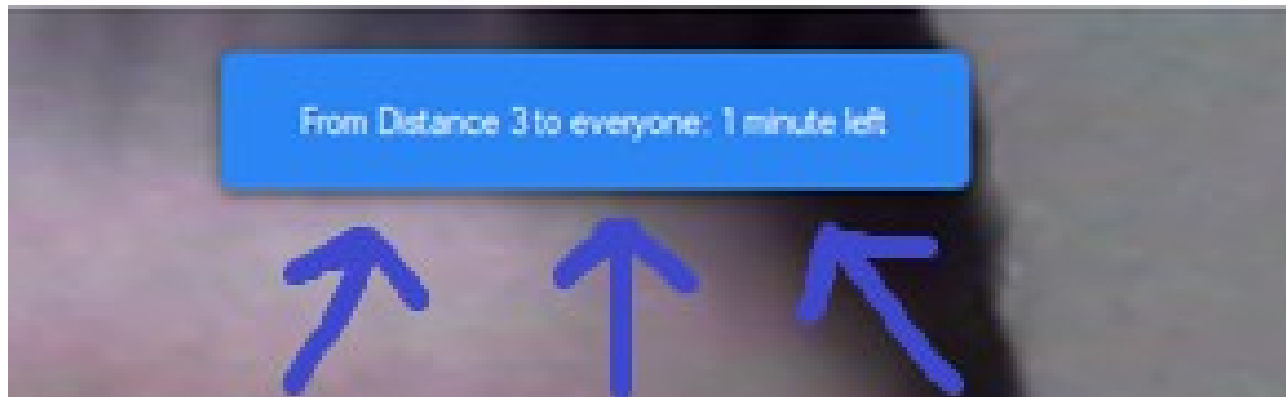

Click *join* to work in pairs/groups

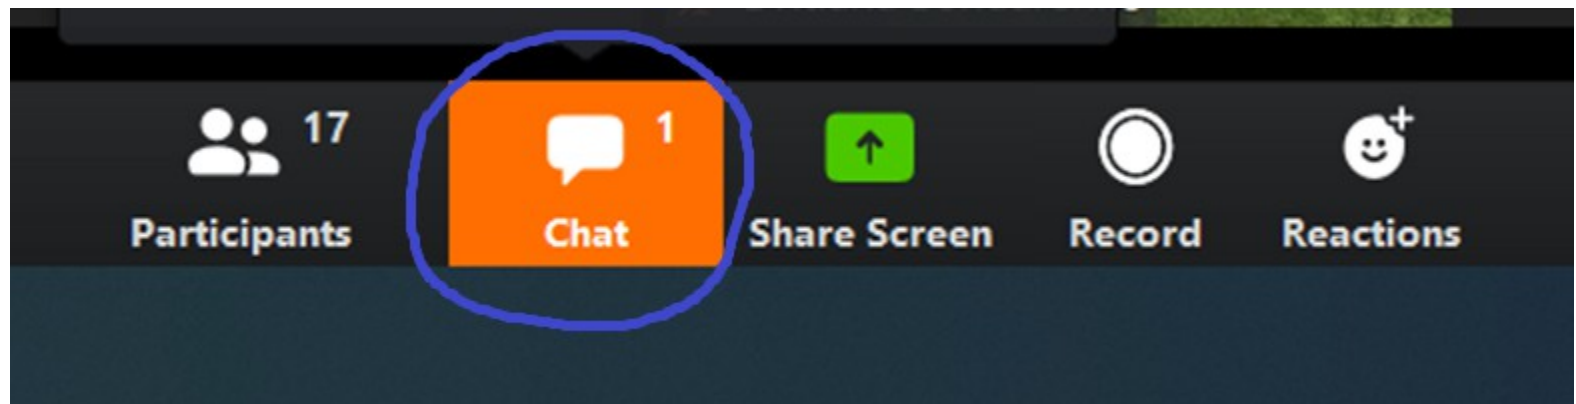

Click *Ask for help* when you need your teacher's help while working in pairs/groups

The teacher may send you instant messages when you are in breakout rooms. They appear on the top of Zoom window.

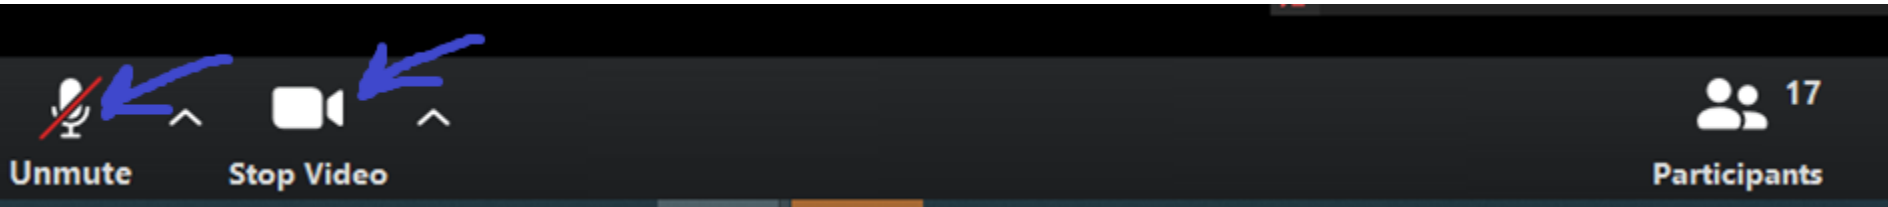

# Write and receive messages

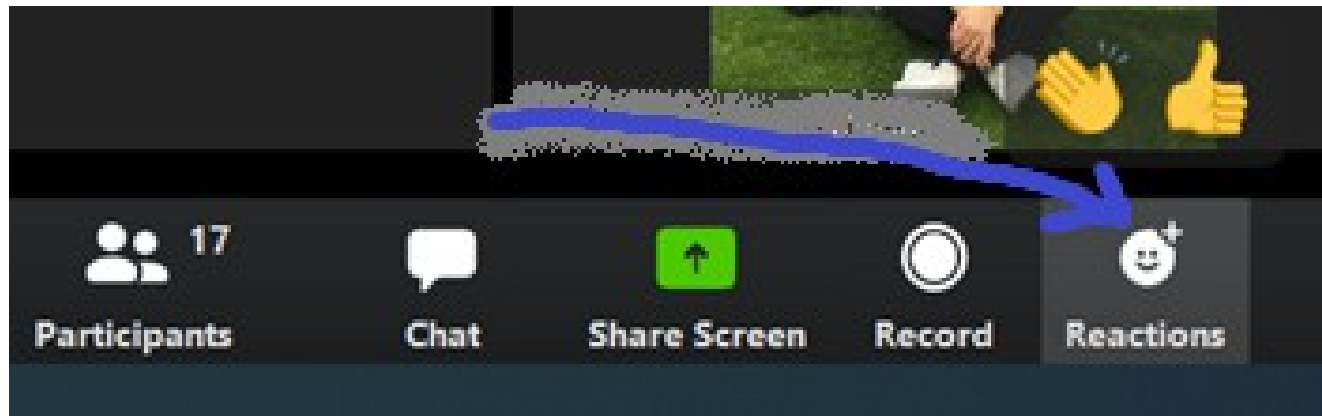

# Mute/unmute your microphone

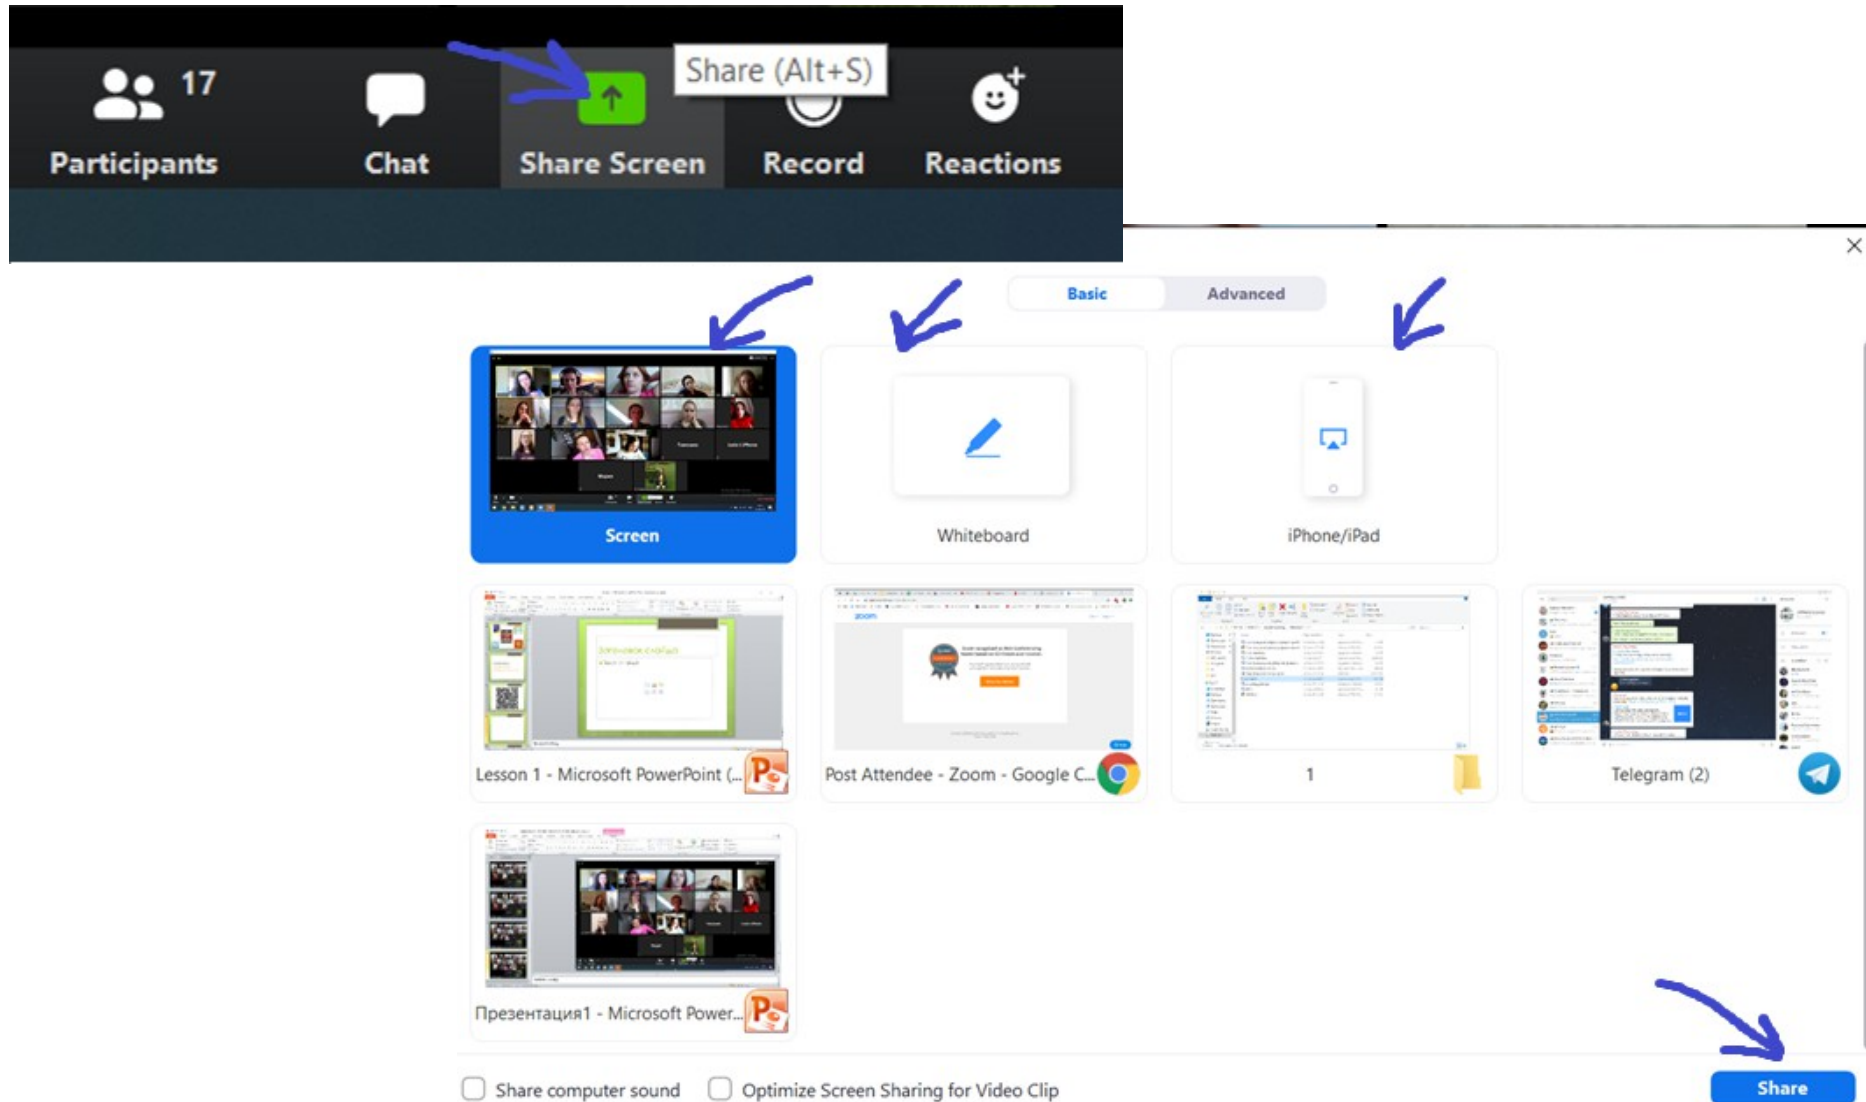

## Show/stop video

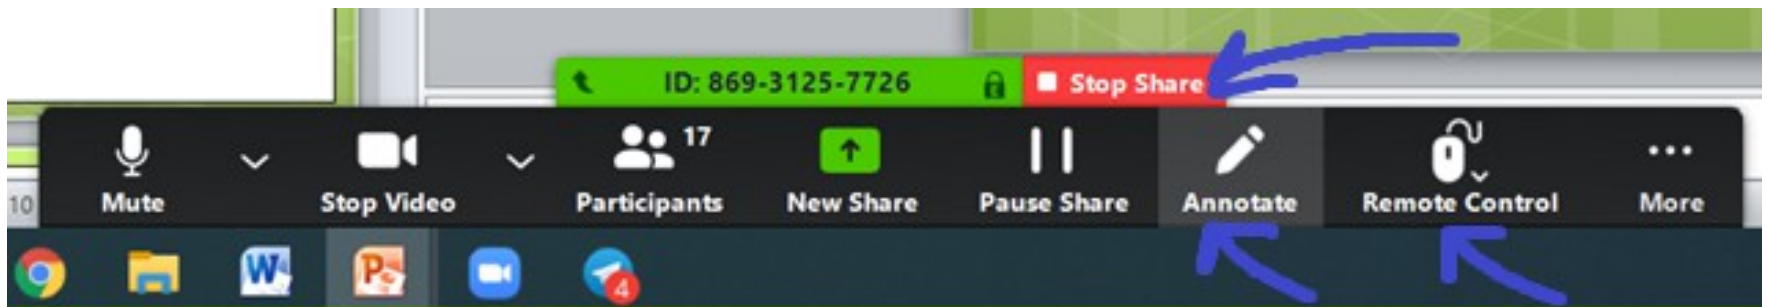

# Emote 😊

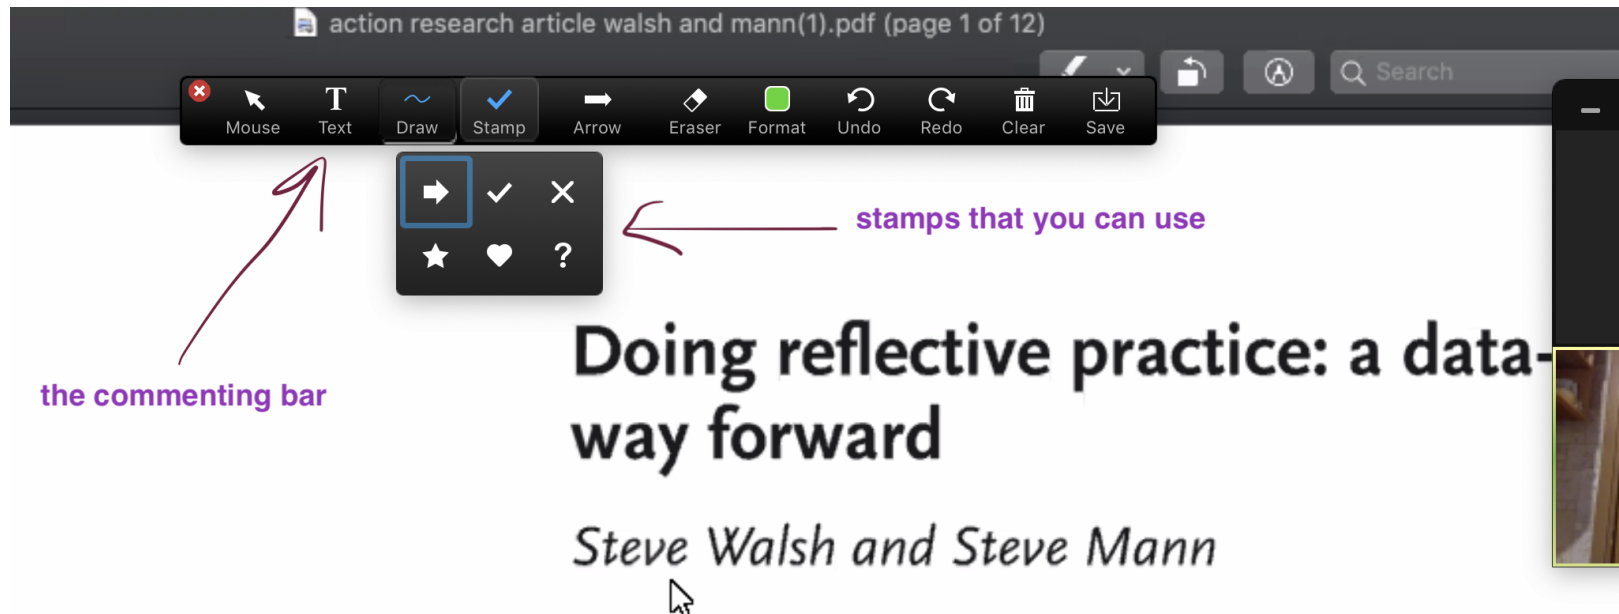

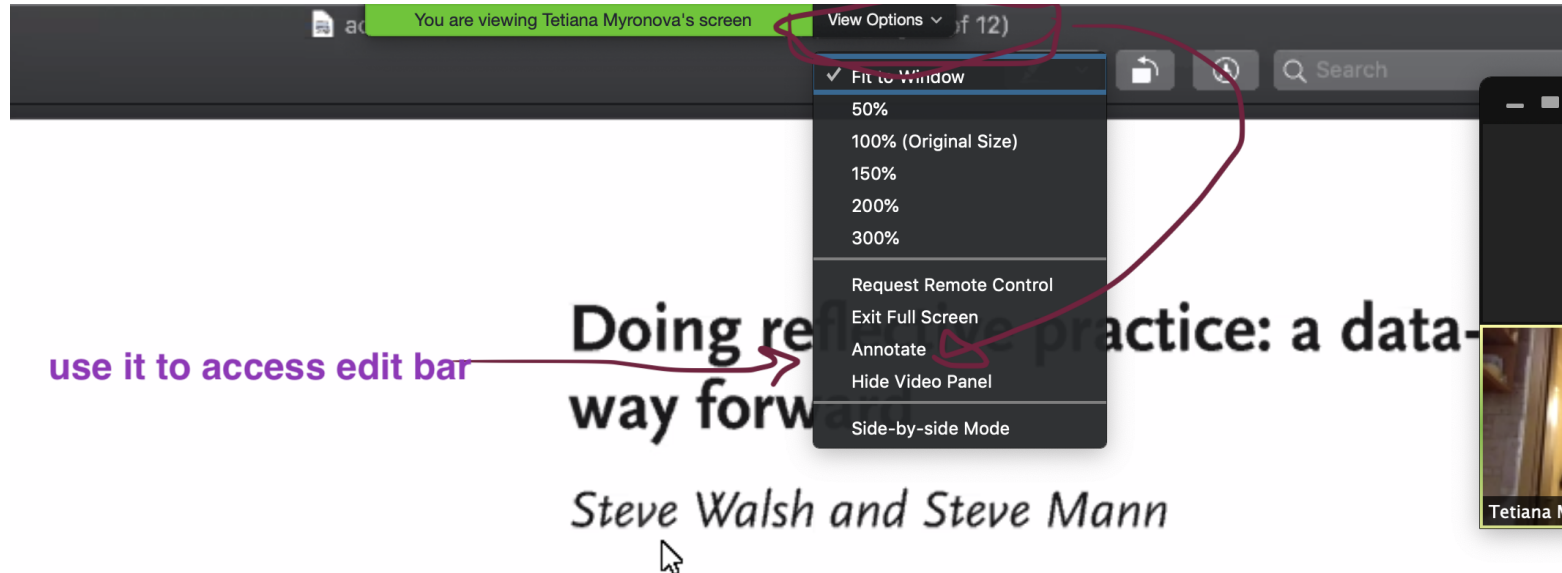

# Share your screen and whiteboard with your partners

While sharing, click *annotate* to draw and type on your screen;  
use remote control to allow your partners to do the same.

You can also annotate / comment while your teacher is sharing a screen

# Ask a question – raise a hand
